In the matter of the application of Southern Pacific Company for permission to construct a spur track at grade across Eighteenth Street in the City of Sacramento, County of Sacramento, State of California.

Application No. 8337

BY THE COMMISSION:

$O \underline{R} \underline{D} \underline{E} \underline{R}$

Southern Pacific Company, a corporation, having on October 17, 1922, filed with the Commission an application for permission to construct a spur track at grade across Eighteenth Street in the City of Sacramento, County of Sacramento, State of California, and having in writing amended the location of said crossing, as hereinafter indicated, and it appearing to the Commission that this is not a case in which a public hearing is necessary; that the necessary franchise or permit has been granted by City Council of said City of Sacramento for the construction of said crossing at grade, and it further appearing that it is not reasonable nor practicable to avoid a grade crossing with said Eighteenth Street, and that this application should be granted subject to the conditions hereinafter specified,

IT IS HEREBY ORDERED, that permission be and it is hereby granted Southern Pacific Company to construct a spur track at grade across Eighteenth Street in the City of Sacramento, County of Sacramento, State of California, described as follows:

> Beginning at a point in the easterly line of 18th Street in the City of Sacramento, California, and seven (7) feet southerly from the center line of "R" Street; thence in a westerly direction a distance of eighty (80) feet, more or less, to a point in the westerly line of 18th Street and twenty-one (21) feet southerly from the center line of "R" Street.

- 1 -

All of the above as shown by the map (N.W.D. 4090) attached to the application; said crossing to be constructed subject to the following conditions, viz:-

(1) The entire expense of constructing the crossing, to-. gether with the cost of its maintenance thereafter in good and firstclass condition for the safe and convenient use of the public shall be borne by applicant.

(2) Said crossing shall be constructed of a width and type of construction to conform to that portion of Eighteenth Street now graded, with grades of approach not exceeding four (4) per cent; shall be protected by a suitable crossing sign and shall in every way be made safe for the passage thereover of vehicles and other road traffic.

(3) Applicant shall within thirty (30) days thereafter, notify this Commission, in writing, of the completion of the installation of said crossing.

(4) The authorization herein granted for the installation of said crossing will lapse and become void one year from the date of this order unless further time is granted by subsequent order.

(5) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

Dated at San Francisco, California, this 26th day of October, 1922.
