McS

Decision No. 11388

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

-oOo-

ORIGINAL

In the Matter of the Application of JACOB J. REPPERT for certificate of public convenience and necessity to operate freight and transfer line service between Stonyford and Willows and intermediate points, via Frutto, Elk Creek Route.

Application No. 8266

BY THE COMMISSION,

ORDER OF DISMISSAL

Applicant herein having previously stated that he did not desire to operate a stage line as a common carrier and a letter having been addressed to him on December 4th, 1922, requesting formal authorization for dismissal of the above entitled proceeding, which letter included a statement to the effect that unless a reply was received within ten days, the Commission would consider that applicant did not desire to proceed, and no reply having been received to such communication,

IT IS HEREBY ORDERED that the above entitled application be, and the same hereby is dismissed.

Dated at San Francisco, California, this 22nd day of December, 1922.
