ORIGINAL

Application No. 1079.

Decision No. 1420

LOVELAND, Commissioner:

ORDER.

E. M. Wilson, Nettie B. Harris and Lawrence A. Wilson having applied to this Commission for a certificate declaring that public convenience and necessity require the exercise of the rights and privileges granted to them by the Board of Supervisors of Lassen County, State of California, in Ordinance No. 99, adopted on March 4, 1914, giving to applicants the right to erect, construct, maintain and operate an electric transmission system over the public highways of said County, and the Commission being of the opinion that this application should be granted in so far as said County is not now served by the Pit River Power Company and that a public hearing upon this application is not necessary.--

IT IS HEREBY DECLARED that public convenience and necessity require the exercise by E. M. Wilson, Nettie B. Harris and Lawrence A. Wilson of the rights and privileges granted to them by the Board of Supervisors of the County of Lassen, State of California, in Ordinance No. 99, adopted on March 4, 1914, upon the following condition:

This certificate is granted only to those portions of Lassen County which are not now served by the Pit River Power Company.

The foregoing order is hereby approved and ordered filed
as the order of the Railroad Commission of the State of Cali-
fornia.

Dated at San Francisco, California, this 10th day
of April, 1914.
