

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

ORIGINAL

In the matter of the application of Southern California Gas Company for authority to issue \$750,000 of preferred stock.

Application No. 568.

EDGERTON, Commissioner.

Supplemental Order

Authority having heretofore been granted by this Commission to Southern California Gas Company to issue \$750,000 of its preferred stock at \$80 per share,

And the purposes for which said stock may be issued having been set forth in orders by this Commission,

And Southern California Gas Company now desiring to use a portion of the proceeds from the sale of said \$750,000 of preferred stock in the sum of \$165,033.19 for the purpose of reimbursing its treasury for capital expenditures heretofore made in accordance with its Exhibits "G" and "E",

And it appearing that such capital expenditures were properly made in connection with the construction of applicant's plant and system,

IT IS HEREBY ORDERED that Southern California Gas Company be given authority and it is hereby given authority to use the sum of \$165,033.19 derived from the sale of its preferred stock heretofore authorized by this Commission for the purpose of reimbursing its treasury for expenditures in accordance with its Exhibits "G" and "E" filed in connection with the application herein.

The previous orders issued by this Commission on the application herein are amended in so far as may be necessary for the purposes of the present order.

The foregoing Supplemental Order is hereby approved  
and ordered filed as the Supplemental Order of the Railroad  
Commission of the State of California.

Dated at San Francisco, California, this 5<sup>th</sup> day  
of August, 1914.
