mission to construct three spur )  
tracks at grade across Sixth Street )  
and Seventh Street, and in and )  
along Redlands Avenue, City of Red- )  
lands, San Bernardino County, )  
California. )  
..... )

Application No. 1272.

O R D E R

By the Commission,

SOUTHERN PACIFIC COMPANY, a corporation,  
having on August 10, 1914, filed with the Commission an application  
for permission to construct three spur tracks at grade across Sixth  
and Seventh Streets, and in and along Redlands Avenue, in the City  
of Redlands, San Bernardino County, California, as hereinafter  
indicated, and it appearing to the Commission that this is not a case  
in which a public hearing is necessary, that applicant has secured  
the necessary franchise or permit for the construction of said  
crossings at grade from the Board of Trustees of the City of Redlands;  
and it further appearing that it is not reasonable nor practicable  
to avoid grade crossings with said streets, and that the application  
should be granted subject to the conditions hereinafter specified,

IT IS HEREBY ORDERED, That permission be hereby granted  
Southern Pacific Company to construct three spur tracks at grade across  
Sixth and Seventh Streets, and in and along Redlands Avenue, in the  
City of Redlands, San Bernardino County, California, on the north  
side of its main line track, as shown by the map attached to the  
application; said spur tracks to be constructed as part of a re-

arrangement of existing tracks and subject to the following conditions, viz.:-

(1) The entire expense of constructing said crossings, together with the cost of their maintenance thereafter in good and first-class condition for the safe and convenient use of the public shall be borne by applicant.

(2) Said crossings shall be constructed of a width and type of construction to conform to that portion of Sixth and Seventh Streets and Redlands Avenue now graded, with grades of approach not exceeding six (6) per cent, and shall in every way be made safe for the passage thereover of vehicles and other road traffic.

(3) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossings as to it may seem right and proper and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

Dated at San Francisco, California, this 12<sup>th</sup> day of August, 1914.
