The applicant submitted an appraisal of its properties as of December 31, 1914, in the sum of \$1,114,946.22.

The applicant did not submit a list of the additions and betterments which it proposes to construct from the proceeds of the bonds which it now proposes to issue. At the hearing, the attorney for the applicant requested that at this time a preliminary order

only be issued as to the bonds for additions and betterments, and that supplemental orders thereafter be issued from time to time as the applicant files the necessary details of its proposed construction.

I recommend that this application be granted and submit the following form of Order:

O R D E R.

Santa Barbara Gas and Electric Company having made application to this Commission for authority to issue \$100,000 of its six per cent. 30-year bonds, as set forth in the foregoing Opinion, and a hearing having ^{been} held and it appearing that the purposes for which it is desired to issue said bonds are not in whole or in part reasonably chargeable to operating expenses or to income,

IT IS HEREBY ORDERED that Santa Barbara Gas and Electric Company be given authority and is hereby given authority to issue \$100,000 of its six per cent. 30-year bonds under its trust indenture to Los Angeles Trust and Savings Bank, trustee, dated July 1, 1911, said bonds maturing July 1, 1941.

The authority herein given is given upon the following conditions and not otherwise:

(1). The bonds herein authorized to be issued shall be sold by the applicant at not less than 95 per cent of par value plus accrued interest.

(2). The proceeds derived from the sale of the bonds shall be used for the following purposes:
