Application No. 1758.

By the Commission,

O R D E R.

PACIFIC ELECTRIC RAILWAY COMPANY, a corporation,  
having on July 6, 1915, filed with the Commission an application  
for permission to construct a spur track <sup>at grade</sup> / across Santa Rosa Avenue,  
near Wilmington Road, in the City of Los Angeles, Los Angeles  
County, California, as hereinafter indicated, and it appearing to  
the Commission that this is not a case in which a public hearing  
is necessary; that applicant has secured the necessary franchise  
or permit for the construction of said crossing at grade from the  
City Council of the City of Los Angeles, and it further appearing  
that it is not reasonable nor practicable to avoid a grade crossing  
with said Wilmington Road, and that the application should be  
granted, subject to the conditions hereinafter specified,

IT IS HEREBY ORDERED, That permission be hereby granted  
Pacific Electric Railway Company to construct its spur track at  
grade across Santa Rosa Avenue, near Wilmington Road, in the City  
of Los Angeles, Los Angeles County, California, on the west side  
of its main line track, as shown by the map attached to the appli-  
cation; said spur track to be constructed subject to the following  
conditions, viz.:-

- (1) The entire expense of constructing the crossing, together  
with the cost of its maintenance thereafter in good and first-  
class condition for the safe and convenient use of the public shall  
be borne by applicant.

(2) Said crossing shall be constructed of a width and type of construction to conform to that portion of Santa Rosa Avenue now graded, with grades of approach not exceeding four (4) per cent; shall be protected by a suitable crossing sign, and shall in every way be made safe and convenient for the passage thereover of vehicles and other road traffic.

(3) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.
