California. )  
-----

By the Commission,

ORDER

ARCATA AND MAD RIVER RAILROAD COMPANY, a corporation, having on October 15, 1915, filed with the Commission an application for permission to construct a spur track at grade across Fourteenth Street, between "L" and "M" Streets, in the City of Arcata, Humboldt County, California, as hereinafter indicated, and it appearing to the Commission that this is not a case in which a public hearing is necessary; that applicant has secured the necessary permission from the Board of Trustees of the City of Arcata for the construction of said crossing at grade, and it further appearing that it is not reasonable nor practicable to avoid a grade crossing with said Fourteenth Street, and that this application should be granted, subject to the conditions hereinafter specified,

IT IS HEREBY ORDERED, That permission be hereby granted Arcata and Mad River Railroad Company to construct its spur track at grade across Fourteenth Street, between "L" and "M" Streets, in the City of Arcata, Humboldt County, California, on the west side of its main line track, as shown by the map attached to the application; said spur track to be constructed subject to the following conditions, viz.: -

(1) The entire expense of constructing the crossing, together with the cost of its maintenance thereafter in good and first-class condition for the safe and convenient use of the public shall be borne by applicant.

(2) Said crossing shall be constructed of a width and type of construction to conform to that portion of Fourteenth Street now graded, with grades of approach not exceeding four (4) per cent; shall be protected by a suitable crossing sign, and shall in every way be made safe for the passage thereover of vehicles and other road traffic.

(3) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

Dated at San Francisco, California, this 23<sup>rd</sup> day of October, 1915.
