Application No. 1934.

By the Commission,

O R D E R.

SOUTHERN PACIFIC COMPANY, a corporation, having on October 27, 1915, filed with the Commission an application for permission to construct a spur track at grade across Johnson Street, in the City of Visalia, Tulare County, California, as hereinafter indicated, and it appearing to the Commission that this is not a case in which a public hearing is necessary; that the necessary permit or easement for the construction of said crossing at grade has been granted by the Board of Trustees of the City of Visalia, and it further appearing that it is not reasonable nor practicable to avoid a grade crossing with said Johnson Street, and that this application should be granted subject to the conditions hereinafter specified,

IT IS HEREBY ORDERED, That permission be hereby granted Southern Pacific Company to construct its spur track at grade across Johnson Street, in the City of Visalia, Tulare County, California, on the north side of its main line track, as shown by the map attached to the application; said spur track to be constructed subject to the following conditions, viz.:-

- (1) The entire expense of constructing the crossing, together with the cost of its maintenance thereafter in good and first-class condition for the safe and convenient use of the public shall be borne by applicant.

(2) Said crossing shall be constructed of a width and type of construction to conform to that portion of Johnson Street now graded, with grades of approach not exceeding four (4) per cent; shall be protected by a suitable crossing sign, and shall in every way be made safe and convenient for the passage thereover of vehicles and other road traffic.

(3) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

Dated at San Francisco, California, this 29th day of October, 1915.
