.....

By the Commission,

**O R D E R .**

THE ATCHISON, TOPEKA AND SANTA FE RAILWAY COMPANY, and  
 TEMESCAL ROCK COMPANY, corporations, having on April 8, 1916, filed  
 with the Commission a joint application for permission to construct  
 a track at grade across Magnolia Avenue near Porphyry, Riverside  
 County, California, as hereinafter indicated, and it appearing  
 to the Commission that this is not a case in which a public hearing  
 is necessary, and it further appearing that it is not reasonable  
 nor practicable to avoid a grade crossing at the point of inter-  
 section of said railroad track and Magnolia Avenue, and that the  
 application should be granted subject to the conditions hereinafter  
 specified,

IT IS HEREBY ORDERED, That permission be hereby granted The  
 Atchison, Topeka and Santa Fe Railway Company and Temescal Rock  
 Company, to construct a track at grade across Magnolia Avenue,  
 near Porphyry, Riverside County, California, as shown by the  
 map attached to the application, and subject to the following  
 conditions, viz.: -

 with the cost of its maintenance thereafter in good and first-class  
 condition for the safe and convenient use of the public shall be  
 borne by applicants.

(3) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.
