Decision No. _____.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

ORIGINAL

Decision No. 41591-

In the matter of the Application of THE SOUTHERN SIERRAS POWER COMPANY, an electrical corporation, for a certificate of the Railroad Commission that the present and future public convenience and necessity require and will require the construction of an electrical line, plant and system, or the extension by Applicant Company to, into and throughout the City of Blythe and surrounding territory, Riverside County, California, of its line, plant or system and that public convenience and necessity require the exercise by Applicant Company of the right and privilege to erect, construct, operate and maintain within the said City and surrounding territory a certain electrical plant and system, with necessary appurtenances, pursuant to certain franchise rights granted to said Applicant Company by the Board of Supervisors of the County of Riverside, and now in force and owned by said Company.

Application No. 2835.

BY THE COMMISSION

FIRST SUPPLEMENTAL ORDER.

IT IS HEREBY DECLARED that in accordance with the order heretofore made in this proceeding on June 14, 1917, Southern Sierras Power Company has filed a stipulation duly authorized by its Board of Directors, declaring that neither said company, its successors nor assigns will ever claim before the Railroad Commission or any Court or other public body a value for the rights and privileges granted

in Ordinance No. 127 of the County of Riverside,
in excess of the actual cost of acquiring said rights
and privileges, which cost is stated to be \$1200.00

Dated at San Francisco, California, this 29th
day of August, 1917.
