Decision No. 4668

Decision No. _____

BEFORE THE RAILROAD COMMISSION
OF THE STATE OF CALIFORNIA.

---oO---

VALLEY NATURAL GAS COMPANY,

Complainant,

vs.

MIDWAY GAS COMPANY,

Defendant.

CASE NO. 1009

BY THE COMMISSION

ORDER ON PETITION FOR REHEARING

WHEREAS Midway Gas Company filed on June 14th, 1917, its application for rehearing in the above entitled matter requesting that the order insofar as it applied to the service by Midway Gas Company to the Midway and Continental pumping plants of the General Pipe Line Company be set aside and,

The effective date of the said order insofar as it applied to the said pumping plants having been suspended by order of the Commission pending further order by the Commission, and,

WHEREAS the Commission has this day, in Application No. 3209, issued its order, Decision No. 4662, authorizing

Midway Gas Company to serve the Midway and Continental pump-
ing plants of the General Pipe Line Company,

IT IS HEREBY ORDERED that the application of the
Midway Gas Company for a rehearing in the above entitled mat-
ter be and the same is hereby dismissed.

Dated at San Francisco, California, this 24th
day of September, 1917.
