APPLICATION
NO. 3441

BY THE COMMISSION:

ORDER

WHEREAS, Pacific Gas and Electric Company has filed an application herein for an order of the Railroad Commission approving those two certain agreements dated the 13th day of September, 1912, and the 12th day of September, 1917, respectively, entered into by and between said applicant and the City of Santa Clara, governing the sale of electric energy to said City by said applicant, and,

WHEREAS, applicant has the right to give any concessions which it may elect to grant to the state or any political subdivision thereof as specifically set forth in the Commission's Decision No. 421 in Case 293, (Volume II, Opinions and Orders of the Railroad Commission of California), page 87, and,

WHEREAS, the said agreements, the approval of which is sought herein, appear to be mutually satisfactory to the parties thereto, and,

WHEREAS, it does not appear that a specific approval by this Commission of said agreement is necessary at this time, nor that there is any need for a public hearing in this matter,

IT IS HEREBY ORDERED that Pacific Gas and Electric Company shall, within ten days from the date of this order, file with this Commission two copies of each of said agreements, which agreements will be accepted for filing, subject to any changes therein which the Railroad Commission may hereafter find to be just and reasonable after proceedings duly had.

Dated at San Francisco, California, this 24th
day of January, 1918.
