northeasterly sixty-five (65) feet at right

angles to said street; thence westerly seventy-seven and six-tenths (77.6) feet to a point forty-five (45) feet from the northeasterly line of "Q" Street; thence southwesterly in a direction at right angles to "Q" Street forty-five (45) feet to the northeasterly line of "Q" Street; thence southeasterly along the northeasterly line of "Q" Street, seventy-five (75) feet to the place of beginning, and containing eighty-five one-thousandths (.085) of an acre, more or less," and
