By the Commission.

ORDER

DIRECTOR GENERAL OF RAILROADS, SOUTHERN PACIFIC RAILROAD, having on August 12, 1919, filed an application with the Commission for permission to construct a spur track at grade across Quince Street, in the Town of Elmhurst, County of Alameda, State of California, as hereinafter indicated; and it appearing to the Commission that this is not a case in which a public hearing is necessary; that the City Council of the City of Oakland has granted the necessary permission for the construction to be made; and it further appearing that it is not reasonable nor practicable to avoid a grade crossing with said street, and that this application should be granted subject to the conditions hereinafter specified;

IT IS HEREBY ORDERED, That permission be and the same is hereby granted DIRECTOR GENERAL OF RAILROADS, SOUTHERN PACIFIC RAILROAD, to construct a spur track at grade across Quince Street, in the Town of Elmhurst, County of Alameda, State of California,

described as follows:

BEGINNING at a point on the southeasterly line of Quince Street distant thereon northeasterly three hundred twenty and no hundredths (320.00) feet from the intersection thereof with the northeasterly line of Edes Avenue, thence northwesterly at right angles to said southeasterly line of Quince Street a distance of fifty and no hundredths (50.00) feet to a point on the northwesterly line of Quince Street.

All of the above as shown by the map attached to the application; said crossing to be constructed subject to the following conditions, viz.:

(1) The entire expense of constructing the crossing, together with the cost of its maintenance thereafter in good and first-class condition, for the safe and convenient use of the public, shall be borne by applicant.

(2) Said crossing shall be constructed of a width and type of construction to conform to that portion of Quince Street to be crossed, with grades of approach not exceeding four (4) per cent; shall be protected by a suitable crossing sign, and shall in every way be made safe for the passage thereover of vehicles and other road traffic.

(3) The Commission reserves the right to make such further orders relative to the location, construction, operation, maintenance and protection of said crossing as to it may seem right and proper, and to revoke its permission if, in its judgment, the public convenience and necessity demand such action.

Dated at San Francisco, California, this 16<sup>th</sup> day  
of August, 1919.
