BY THE COMMISSION -

O R D E R

L. T. Alward and A. H. Root, proprietors of, and oper -  
 ating a stage line between Redding and Weaverville under the  
 fictitious name of the Redding-Weaverville Stage Company have  
 petitioned the Railroad Commission for an order declaring that  
 public convenience and necessity require operation by them of  
 an automobile passenger and freight service between French  
 Gulch and Carrville.

The company has maintained a service for some years past  
 between Redding and Weaverville and recently contracted to carry  
 the mail between French Gulch and Carrville and desires in con -  
 nection with this new territory to accommodate the public.  
 There are no regular competing companies in the territory and  
 after giving all the facts consideration and being fully advised,  
 the Commission is of the opinion that this is a matter in which  
 a public hearing is not necessary and that the application should  
 be granted.

IT IS HEREBY ORDERED, that L. T. Alward and A. E. Root, operating under the fictitious name of the Redding-Weaverville Stage Company, are hereby granted a certificate of public convenience and necessity to operate as a common carrier of freight and passengers between French Gulch and Carrville and intermediate points, provided, however, that the rights, and privileges hereby authorized may not be transferred nor assigned, unless the written consent of the Railroad Commission to such transfer or assignment has first been secured.

IT IS HEREBY FURTHER ORDERED, that no vehicle may be operated under this certificate unless such is owned by the applicants herein or is leased by such applicants under a contract or agreement on a basis satisfactory to the Railroad Commission.
