

Decision No. 7548.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of  
East Bay Water Company, a corporation,  
for an Order Authorizing Sale of Real  
Property.

)  
)  
) Application No. 5612.  
)

BY THE COMMISSION:

ORDER

ORIGINAL

The East Bay Water Company having made application to the Railroad Commission for permission to sell to the Pacific Gas and Electric Company a certain right of way and easement, more particularly described in the agreement attached to the petition herein and the Commission having investigated the matter and finding that the property described is non-operative property and is not necessary or used or useful to East Bay Water Company in the discharge of its duties to the public and that a hearing is not necessary in this matter,

IT IS HEREBY ORDERED, that the East Bay Water Company be, and it is hereby, granted permission to sell to Pacific Gas and Electric Company that certain right of way and easement more particularly described in the agreement attached to petition herein.

Dated at San Francisco, California, this 10<sup>th</sup> day of May, 1920.
