

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the matter of the application of SOUTHERN PACIFIC COMPANY for permission to construct two (2) spur tracks at grade across a public highway called Delaware Street, in the City of Berkeley, Alameda County, California.

Application 625.

ORIGINAL

ORDER

By the Commission.

SOUTHERN PACIFIC COMPANY, a corporation, having on June 27, 1913, filed with the Commission an application for permission to construct two (2) spur tracks at grade across Delaware Street, a public highway in the City of Berkeley, Alameda County, California, as hereinafter indicated, and it appearing to the Commission that this is not a case in which a public hearing is necessary, that applicant has secured the necessary permit or franchise from the City Council of the City of Berkeley, authorizing the construction of said spur tracks at grade across said Delaware Street; and it further appearing that it is not reasonable nor practicable to avoid grade crossings with said street, and that the application should be granted, subject to the conditions hereinafter specified,

IT IS HEREBY ORDERED that permission be hereby granted Southern Pacific Company to construct two (2) spur tracks at grade across Delaware Street, City of Berkeley, Alameda County, California, and on the east side of its main line, to serve the applicant's new freight house between Third and Fourth Streets, Berkeley, as stated in the application and shown by the map attached thereto, subject to the following conditions, viz.:

- (1) The entire expense of constructing the crossings, together with their maintenance hereafter in good and first-class condition for the safe and convenient use of the public shall be borne by applicant.
- (2) Said crossings shall be constructed of a width not less than twenty-four (24) feet, with grades of approach not exceeding six (6)
