BY THE COMMISSION:

ORDER DENYING APPLICATION FOR REHEARING.

An application for rehearing having been filed herein on July 9, 1919, by Arthur W. Frazee et al., protestants, the Commission, after fully considering said application, is of the opinion that the grounds specified therein on which the applicants consider the decision and order as to which rehearing is sought to be unlawful, are insufficient to justify a modification or reversal of said decision and order, and that no new matters are suggested in said application which would justify such rehearing,--

IT IS, THEREFORE, ORDERED, that said application for rehearing be, and the same is hereby, denied.

Dated at San Francisco, California, this 9th day of June, 1920.
