APPLICATION NO. 3679.

BY THE COMMISSION:

SECOND SUPPLEMENTAL ORDER

On July 1, 1918 the San Francisco & San Jose Express Company, a corporation, made application petitioning the Railroad Commission for a certificate of public convenience and necessity to operate automotive express and freight service between San Francisco and San Jose and intermediate points. On April 3, 1919 this Commission's Decision No. 6235 on Application No. 3679 granted the petition. On August 12, 1919, Decision No. 6553, the Commission issued first supplemental order on Application No. 3679 amending its decision 6235, authorizing the change in name of applicant to San Francisco & San Jose Transportation Company, a corporation.

On December 8, 1920 this carrier issued a circular letter announcing to its patrons that on and after Saturday, December 18, 1920 it would permanently discontinue all service between San Francisco-San Jose and way points. By its letter dated December 11, 1920 carrier notified the Commission of its intention to discontinue service, and by its letter of January 14, 1921, in

reply to the Commission's letter December 23, 1920 stated that its service had been permanently discontinued on December 18, 1920 and that it was its intention to permanently discontinue all service.

The Commission is of the opinion that this is a matter on which a public hearing is not necessary, but that the San Francisco & San Jose Transportation Company having abandoned its service, the operative rights of the company should be revoked. Good cause appearing and the Commission being fully advised.

IT IS HEREBY ORDERED that the operative rights of the San Francisco & San Jose Transportation Company, handling freight and express between San Francisco and San Jose and intermediate points, be and the same are hereby revoked.

Dated at San Francisco, California, this 21st day of ~~January~~ February 1921.
