BY THE COMMISSION,

ORDER

Nevada-California Auto Stage Company, a corporation, has made application to the Railroad Commission for a certificate of public convenience and necessity to operate an automobile passenger, express and baggage service between Bishop, California, and the Nevada State Line to Tonopah and intermediate points.

Applicant states in support of its petition that the only means of transportation at the present time between Bishop, California and Tonopah, Nevada, is by railroad in a round about route and that its proposed direct service will save one day between the points named. It proposes to charge a rate of \$12.00 for the one way trip, Bishop to Tonopah with a charge of 10 cents per mile between intermediate points, making one through trip per day arriving at Bishop on Mondays, Wednesdays and Fridays and leaving Bishop on Tuesdays, Thursdays and Saturdays.

The Commission being of the opinion that this is not a matter in which a public hearing is necessary and that the application should be granted,

IT IS HEREBY DECLARED, that public convenience and necessity require the establishment of an automobile passenger, express and baggage service by Nevada-California Auto Stage Company, a corporation, between Bishop, California and the California-Nevada State Line to Tonopah and intermediate points, and that a certificate of public convenience and necessity should be and the same hereby is granted subject to the following conditions.

1. That applicant shall not accept any local business between the towns of Bishop and Laws, California, such route being already served by two existing stage lines.

2. That the applicant, Nevada-California Auto Stage Company, will file with the Railroad Commission a written acceptance of this certificate, together with the conditions herein provided, within twenty (20) days from the date of service hereof, and that operation of such service will commence within ninety (90) days from the date of service hereof.

3. That the applicant, Nevada-California Auto Stage Company will be required to immediately file a tariff of rates, rules and regulations and time schedules in accordance with the provisions of General Order No. 51, and other regulations of the Railroad Commission.

4. That the rights and privileges hereby authorized may not be discontinued, sold, leased, transferred or assigned, unless the written consent of the Railroad Commission to such discontinuance sale, lease, transfer or assignment has first been secured.

5. That no vehicle may be operated by the applicant, Nevada-California Auto Stage Company, unless such vehicle is owned by said applicant or is leased by it under a contract or agreement on a basis satisfactory to the Railroad Commission.

Dated at San Francisco, California, this 6th day of June, 1921.
