Decision No. 9083

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application)
of JUAN E. CAMARILIO and STARTON)
BAKER for permission to sell and)
convey public utility property.

Application No. 6854.

BY THE COMMISSION.

OBDEE

Juan E. Camarillo and Stanton Baker herein make joint application to transfer from the former to the latter a small domestic water distributing system in the town of Camarillo.

Ventura County, more particularly described in the application.

From the application it appears that the well from which the Camarillo system formerly obtained its supply became sanded sometime ago, and it was found necessary to abandon it. Water to supply the consumers on the system has since been obtained from a well owned by Stanton Baker. The latter well has an ample capacity to supply the inhabitants of Camarillo. It appears that the distributing system cost \$600 to install but under the conditions obtaining, applicant Camarillo is desirous of withdrawing from the water business.

It appearing that this is not a matter in which a public hearing is necessary and that the application should be granted;

IT IS HEREBY ORDERED that Juan E. Camarillo be and he

is hereby authorized to transfer to Stanton Baker the water distributing system owned by him in the town of Camarillo. Ventura County, subject to the following conditions:

- l. The property herein authorized to be transferred is that described in Appendix "A" attached hereto and made a part hereof.
- 2. Authority herein granted to transfer property shall apply only as to such conveyance as shall have been made on or before January 1. 1922. A certified copy of the instrument of conveyance shall be filed with the Commission by Juan E. Camarillo within thirty (30) days from the date in which it is executed.
- 3. Within ten (10) days from the date on which Juan E. Camarillo actually relinquishes control and possession of the properties herein authorized to be sold, said Juan E. Camarillo shall file with the Railroad Commission a cortified statement indicating the date on which such control was relinquished.
- 4. The consideration given for the transfer of said public utility water property shall not be urged before this Commission or any other public body as a finding of value of said properties for rate fixing or any purpose other than the transfer herein authorized.

Dated at San Francisco, California, this 9th day of June, 1921.

ommissioners.

APPENDIX "A"

All those certain water pipe lines which are owned by said party of the first part and which lie in and north of the Conejo Road in the Town of Camarillo. County of Ventura. State of California, and the water pipe line connecting the pipe line in said Conejo Road with the store building situate on the south side of said Conejo Road and occupied at this time by Weatherly and David; said pipe lines are more particularly described as follows, to-wit:

That certain pipe line extending in and along said Conejo Road westerly from the intersection of said road with the Somis Road, a distance of approximately 1550 feet; that certain pipe line extending in and along Davenport Street westorly from Block 3. as the same is designated and delineated upon that certain map entitled "Map of Townsite of Camarillo" and recorded in Book 5 of Miscellaneous Records (Maps) at page 23, records of Ventura County, California, a distance of approximately 1425 feet; that certain pipe line extending in and along Fulton Street from Davenport Street to Conejo Road. as designated and delineated upon said map, a distance of approximately 520 feet; that certain pipe line extending along a line lying westerly of and parallel with Pujol Street in said Town of Camarillo, and extending northerly from said Conejo Road, a distance of approximately 785 feet; and that certain pipe line connecting the pipe line in said Conejo Road with the store building situate on the south side of said Conejo Road and now occupied by the firm of weatherly and David.
