

Decision No. 26036.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of  
(a) SOUTHERN PACIFIC COMPANY for an  
order authorizing it to close the  
agency at Acampo Station, County of  
San Joaquin, State of California, and  
(b) RAILWAY EXPRESS AGENCY, INC., for  
an order authorizing it to abandon its  
agency at said station.

Application No. 18452.

**ORIGINAL**

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

Southern Pacific Company now seeks a modification of the Commission's Order in its Decision No. 25554, dated January 16, 1933, to the effect that that portion of Condition (2) of this Order which requires the company to appoint and maintain a custodian of the keys to the warehouse and telephone be stricken out of the Order.

In support of this request the company alleges that pursuant to the authority granted in said Decision No. 25554 non-agency service was established February 7, 1933; that coincident therewith the company secured the services of a custodian of the keys to the warehouse and telephone; that between February 7th and May 3rd of this year only fourteen shipments were received or delivered at this station which required securing the key to the warehouse from the custodian; that during this time the company was required to pay \$30 for the services of a custodian, which was equivalent to approximately \$2 per shipment; that the party now

acting as custodian desires to be relieved of this duty June 6, 1933; that the company is unable to secure the services of another custodian, and that in its opinion the volume of business conducted at this point does not justify the services of such a custodian.

It appears that the company's request for a modification of Condition (2) in the Commission's Order is reasonable and should be granted, therefore

IT IS HEREBY ORDERED that Condition (2) of the Commission's Order in said Decision No. 25554 which reads as follows:

"(2) Southern Pacific Company shall store less-than-carload freight shipments under lock in company's warehouse and the railroad telephone, located at said station, shall be made available to the patrons. The keys to both warehouse and telephone shall be obtainable from a custodian located at or near said station and notice advising shippers where the keys may be secured shall be maintained at both warehouse and telephone."

be modified to read:

(2) Southern Pacific Company shall store less-than-carload freight shipments in its warehouse.

In all other respects Decision No. 25554 shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 5<sup>th</sup> day of June, 1933.
