**ORIGINAL**

OPINION AND ORDER

This is an application filed by the Peoples Express Company, a corporation and United Transfer Company, a corporation operating as common carriers between San Francisco and Oakland for authority to establish through joint rates between San Francisco and points on line of the Oakland-San Jose Transportation Company, Inc. beyond Oakland as set forth in Pacific Motor Tariff Bureau Joint Freight Tariff No. 2-A, C.R.C. No. 7, supplements thereto or reissues thereof. The establishment of joint rates is to place them on a uniform basis with the concurrently effective rates of the Interurban Express Corporation, Kellogg Express Company and Merchants Express and Draying Company. Competing companies offer no objection to the establishment of rates or service proposed.

Upon consideration of all the facts we are of the opinion that a public hearing is not necessary and that public convenience and necessity require the establishment of joint through rates by the Peoples Express Company and United Transfer Company between San Francisco, on the one hand and on the other, points on the

line of the Oakland-San Jose Transportation Company as proposed in the application.

IT IS HEREBY ORDERED that the Peoples Express Company and United Transfer Company be and they are hereby authorized to establish joint through rates in connection with the Oakland-San Jose Transportation Company within a period of not to exceed thirty (30) days from date hereof effective within ten (10) days after filing joint rates as set forth in Pacific Motor Tariff Bureau Joint Freight Tariff No. 2-A, C.R.C. No. 7, supplements thereto or reissues thereof.

Dated at San Francisco, California, this 26th day of June, 1933.
