ORIGINAL

Tanner Motor Tours, Ltd. makes application to revise and alter its routes, schedules and rates for its sightseeing tours Nos.15 and 16, operated under authority of Decision No.23510, on Application No.17201, and Decision No.24075, on Application No.17683.

The alterations in service appear in public interest because of the reductions in time and rates over the "California Tour de Luxe," by elimination of points and by participation with Yosemite Park and Curry Co. for such passengers as choose to visit YosemiteValley.

Applicant also desires to alter and reduce its "Southern California Tour" from 5 days to 4 days and making visits to La Jolla either on the southbound trip or as a part of the San Diego tour. Proper reduction in rates is also tendered.

This appears to be a matter in which a public hearing is not necessary. The application will be granted.
