

Decision No. 28708

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation
on the Commission's own motion into
the rates, charges, service, rules,
regulations, classifications, con-
tracts, practices and operations, or
any of them, of the water works owned
and operated by the CALIFORNIA WATER
SERVICE COMPANY, a corporation, at
Chico, Butte County, California.

Case No. 3679.

ORIGINAL

CARR, COMMISSIONER:

ORDER OF DISMISSAL

It appearing that the above entitled matter, through informal negotiations participated in by the utility, representatives of the City of Chico and representatives of the Commission, has been settled by the utility filing reduced schedules of rates effective on January 1, 1934, and agreeing to undertake certain improvements in its system,

IT IS THEREFORE ORDERED that the case be and the same is hereby dismissed.

Dated at San Francisco, California, this 3rd day of January, 1934.
