

Decision No. 27309.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of
The Atchison, Topeka and Santa Fe
Railway Company, a corporation, for
authority to abandon Valencia Station,
located on applicant's Redlands District,
in the State of California, and to remove
said station from applicant's time tables
and tariffs.

Application No. 19569.

BY THE COMMISSION:

O R D E R

The Atchison, Topeka and Santa Fe Railway Company, a corporation, on August 6, 1934, applied for authority to abandon its non-agency station of Valencia in San Bernardino County, and to remove a spur track now existing at said station.

Applicant alleges that no passenger or freight business was transacted at said non-agency station during the year ending June 30, 1934, and that, in applicant's opinion, the continued maintenance of the non-agency is not necessary for the business of applicant or for the public.

It appearing that a public hearing is not necessary herein and that the application should be granted,

IT IS HEREBY ORDERED that The Atchison, Topeka and Santa Fe Railway Company is hereby authorized to abandon its non-agency station at Valencia, in San Bernardino County, State of California; to remove the existing spur track at said station; to eliminate said non-agency name from its station records; and to cancel, in conformity with the rules of this Commission, all

rate tariffs and time schedules applying at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 27th day of August, 1934.
