STANDARD FORWARDING COMPANY)
should not be cancelled.)

Case No. 3726.

BY THE COMMISSION:

OPINION AND ORDER

In this proceeding respondent was ordered to appear before the Commission and show cause, if any it had, why its Local Tariff No. 1, C.R.C. No. 1, should not be cancelled. The order to show cause was issued for the reason that although respondent had on file with the Commission a tariff naming rates for the transportation of express between Los Angeles and San Diego, it appeared that it had neither operated as an express corporation under tariffs on file with the Commission on May 1, 1933, nor filed an application for a certificate of public convenience and necessity as required under Section 50(f) of the Public Utilities Act (Chapter 784, Statutes of 1933).

Respondent was given due notice of the time and place of hearing but failed to appear. Therefore, good cause appearing,

IT IS HEREBY ORDERED that said Local Tariff No. 1, C.R.C. No. 1 of Standard Forwarding Company be and it is hereby cancelled.

Dated at San Francisco, California, this 5th day of November, 1934.
