

Decision No. 27505.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of
the LOS ANGELES RAILWAY CORPORATION
for an order permitting certain
changes in its methods, practices
and facilities so as to improve its
service in the City of Los Angeles.

Fourth Supplemental
Application No. 19305.

BY THE COMMISSION:

FOURTH SUPPLEMENTAL ORDER

Applicant in the above entitled proceeding, on October 6, 1934, filed its Fourth Supplemental Application, seeking an order from the Commission authorizing it to continue in effect its system of pass form of fare on an experimental basis for a period of Ninety (90) days, as authorized by the Commission in this proceeding in Decision No. 27002, dated April 30, 1934. The period for the experimental pass form of fare has been extended by Third Supplemental Order herein until November 9, 1934. Applicant now asks that the period be further extended to December 29, 1934.

Exhibit "A" attached to this Fourth Supplemental Application shows the use of the weekly pass for the period beginning May 12, 1934, to September 29, 1934, inclusive. This record shows there has been a more or less continued increase in the use of the \$1.00 pass, ranging from some 13,000 passes sold per week at the beginning of the period, to nearly 19,000 at the end, whereas the \$1.50 pass sales have remained at approximately 1,000 per week.

It appears that the use of this pass fare of transportation, which is superimposed upon the regular fare structure, justifies a further experimental trial and the request therefore will be granted to continue in effect the said pass form of fare until December 29, 1934.

IT IS HEREBY ORDERED that the Los Angeles Railway Corporation be and it is hereby authorized to continue in effect the pass form of fare authorized in said Decision No. 27002 until December 29, 1934, provided, however, that the rates herein authorized shall be established on not less than five (5) days' notice to the Commission and the public and in accordance with the rules prescribed by the Commission.

The effective date of this Order shall be the date hereof.

Dated at San Francisco, California, this 5th day of November, 1934.
