ORDER DENYING INTERIM FARE INCREASES

Application to increase commutation fares was filed on July 25, 1934, and on December 21, 1934, after certain hearings were had, a supplemental application was filed wherein the Commission was requested to authorize applicant to immediately make effective and to charge the fares proposed in its original application pending final determination of the matter. Answer to the supplemental application was filed on December 31, 1934. The Commission has carefully considered applicant's request for interim fare increases, and no good cause appearing for the granting thereof, IT IS ORDERED that the supplemental application for increase of fares pending final determination of the application is hereby denied.
