ORDER REVOKING CERTIFICATE

By authority of Decision No.17665, dated November 29, 1926, on Application No.13252, this Commission granted J. Rusconi a certificate of public convenience and necessity for the trans portation by auto truck of cream, in cans, millfeed and hay between Nicasio and Petaluma and between Point Reyes Station and Nicasio. Decision No.16007, dated February 15, 1926, on Application No.12507, authorizing Rusconi to purchase the automotive certificate of A. Lafranchi, for the transportation of passengers and freight between San Geronimo and Nicasio, was revoked and annulled by Decision No.25414, dated December 5, 1932, on Application No.18521.

Rusconi failed to comply with the Commission's General Order No.84-A, regulating C.O.D. collections, and likewise failed to respond to requests for reissuance of his time schedules, in compliance with General Order No.83. Efforts to communicate by letter failing, the Commission sought the aid of the United States Postmaster at Nicesio in locating Mr. Rusconi. Under date of March 12, 1935, the Postmaster forwarded a written statement to the effect that Rusconi no longer operated his service; that his United States mail contract had terminated on July 1, 1934, and that, having disposed of his trucks and property, he had left for Italy on July 16, 1934. Since that time service has not been maintained as required under certificate. Therefore, Good cause appearing,

IT IS HEREBY ORDERED that Decision No.17765, dated November 29, 1926, on Application No.13252 be, and the same hereby is revoked and annulled and, further, that all tariffs and time schedules thereunder be and they hereby are canceled.

Dated at San Francisco, California, this 25th day of March, 1935.
