

Decision No. 27852.

ORIGINAL

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of
LOS ANGELES & SALT LAKE RAILROAD
COMPANY, a corporation, for Permission
to abandon and remove station building
at Clearwater, California.

Application No. 19839.

BY THE COMMISSION:

O R D E R

Los Angeles and Salt Lake Railroad Company on February 20, 1935, requested authority to abandon its station at Clearwater, Los Angeles County, and to remove the station building located at that point. The application states that in the year 1934 no passengers were handled at Clearwater Station; that during said year no less-than-carload freight was forwarded from said station; that such less-than-carload freight as was billed to Clearwater Station was actually delivered at the adjacent station of Hynes; and, that the carload shipments received at Clearwater were handled on privately owned tracks or facilities.

The Commission is in receipt of a statement from the principal shippers using this station, indicating that they have no objection to the granting of the application and the California Farm Bureau Federation has also stated that it will not oppose the proposed abandonment.

It appears that this is not a matter in which a public hearing is necessary and that the application should be granted.

IT IS HEREBY ORDERED that the Los Angeles and Salt Lake Railroad Company is hereby authorized to abandon its station

at Clearwater, County of Los Angeles, State of California, to eliminate said station name from its records, to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying thereto and to abandon and remove the station building at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof, unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 25th day of March, 1935.
