ORIGINAL

Warren N. Slinkard operating under the name and style of Eagleville-Cedarville Stage Line, has made application to this Commission for an order authorizing him to discontinue all service for the automotive transportation, as a highway common carrier, of passengers between Eagleville and Cedarville and intermediate points as authorized by Decision No. 25412 dated December 5, 1932 on Application No. 18462 and for a further order revoking his operating right. Applicant desires to continue his certificated operation as above authorized in so far as it applies to the transportation of property.

As justification for the authority herein sought applicant alleges that no passengers have presented themselves for transportation and his statement is borne out by annual reports for 1934 and 1935 which show that no revenues for the transportation of persons have been collected.

This appears to be a matter in which a public hearing is not necessary. The application will be granted.
