BY THE COMMISSION:

SECOND SUPPLEMENTAL OPINION AND ORDER

The applicants herein by a written request, received March 13, 1936, have requested that the effective date of Decision No. 28387 be further extended ninety (90) days from and after March 15, 1936.

As justification therefor applicants allege that to date no order has been issued by the Interstate Commerce Commission, Bureau of Motor Carriers, in connection with their application to register with said Interstate Commerce Commission as a common carrier to engage in transportation of passengers and property in interstate commerce, and further, that applicants have just completed for filing their joint application with the Interstate Commerce Commission for authority to consolidate, or to merge, under Section 213 of the Motor Carrier Act of 1935.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that the effective date of Decision No. 28387 be, and it is hereby, extended to include

June 15, 1936.

Decision No. 28387 in all other respects shall remain in full force and effect.

Dated at San Francisco, California, this 23d day of March, 1936.
