BY THE COMMISSION:

O R D E R

- (4) No train, engine, motor or car shall be operated over said crossing unless said train, engine, motor or car shall be first brought to a stop and traffic on the highway protected by a member of the train crew or other competent employce acting as flagman.
- (5) Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the completion of the installation of said crossing and of its compliance with the conditions hereof.
- (6) The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.
- (7) The Commission reserves the right to make such further orders, relative to the location, construction, operation, maintenance and protection of said crossing, as to it may seem right and proper and to revoke its permission if, in its judgment, public convenience and necessity demand such action.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 4th day of May, 1936.
