

Decision No. 28826

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Applica-)
tion of PACIFIC GREYHOUND LINES,)
INC., a corporation, to establish)
a rerouting of its alternate)
route in and through the City of)
Glendale.)

Application No. 20541

BY THE COMMISSION:

O P I N I O N

ORIGINAL

Applicant herein requests authority to reroute on an alternate route heretofore authorized in and through the city of Glendale.

Applicant alleges as justification for such request that at present their patrons are required to cross the heavily traveled thoroughfare of Broadway Street, Glendale, to and from applicant's schedules to the depot at 215 East Broadway Street; and that if the request herein is authorized this hazard will be eliminated for those persons who desire to avail themselves of applicant's service at this point.

Applicant avers that the city of Glendale has approved the proposed alternate route and operation thereover within said city.

This does not appear to be a matter in which a public hearing is necessary and the application will be granted.
