

Decision No. 28882.

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA.

In the Matter of the Application of
SOUTHERN PACIFIC COMPANY for authority
to abandon the non-agency station of
Mason, in the County of Lassen, State
of California.

Application No. 20522.

ORIGINAL

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, on May 1, 1936, applied for authority to abandon its non-agency station of Mason, in Lassen County.

Applicant alleges that no passenger business has been transacted at said station during the past two years and that but one shipment of freight has been handled during the same period. In applicant's opinion, the continued maintenance of the non-agency is not necessary for the business of applicant or for the public.

The California Farm Bureau Federation, on May 25, 1936, signified, in writing, that it does not object to the granting of this application.

It appearing that a public hearing is not necessary herein and that the application should be granted,

IT IS HEREBY ORDERED that Southern Pacific Company is hereby authorized to abandon its non-agency station of Mason, in Lassen County, State of California, to eliminate said non-agency name from its station records, and to cancel in conformity with the rules of this Commission all rate tariffs and time schedules

applying at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 8th day of June, 1936.
