ORIGINAL

West Coast Wharf & Storage Company, a corporation engaged in the operation of a public warehouse for the storage of grain and other commodities at Oakland, having applied to the Railroad Commission for permission to issue and sell 10 shares of its common capital stock of the par value of \$1.00 each, and the Commission being of the opinion that this is not a matter in which a public hearing is necessary, that the money, property or labor to be procured or paid for is reasonably required for the purposes specified herein, and that the expenditures for such purposes are not, in whole or in part, reasonably chargeable to operating expenses or to income, therefore,

1. That the authority herein granted shall become effective upon the date hereof; and
