

Decision No. 28026

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application  
of Los Angeles Gas and Electric  
Corporation for a Certificate that  
Public Convenience and Necessity  
require the Exercise of Rights and  
Privileges granted to it by Ordinance  
No. 607 of the City of Inglewood,  
County of Los Angeles, State of Cali-  
fornia.

Application No. 20670

ORIGINAL

BY THE COMMISSION:

O P I N I O N

In this application Los Angeles Gas and Electric Corporation asks that the Commission make its decision and order granting to applicant a certificate declaring that present and future public convenience and necessity require and will require the exercise by applicant of the right, privilege and franchise granted to it by Ordinance No. 607 of the City Council of the City of Inglewood, Los Angeles County, a copy of which marked Exhibit "B" is attached to and made a part of the application.

Applicant alleges that it is now and, since the year 1912, it or its predecessor, Inglewood Gas Company, has been furnishing gas to the inhabitants of the City of Inglewood under and pursuant to the provisions of a franchise by Ordinance No. 128 of the City of Inglewood to Inglewood Gas Company, the validity of which franchise has been questioned, which fact resulted in the application for and granting of said Ordinance No. 607 to applicant.

Applicant alleges that the present and future public convenience and necessity require and will require that it exercise the right, privilege and franchise granted to it by the aforesaid Ordinance No. 607 of the City Council of the City of Inglewood in order that applicant may continue to supply gas to said city and the inhabitants thereof for all lawful purposes.

Applicant has stipulated that it, its successors or assigns, will never claim before the Railroad Commission of the State of California, or before any court or other public body, any value for the aforementioned franchise in excess of the actual cost thereof, which cost, exclusive of the Railroad Commission fee, was \$536.10.

It is the opinion of the Commission that this application should be granted and that a public hearing in the matter is not necessary.

#### O R D E R

Los Angeles Gas and Electric Corporation having applied to the Railroad Commission of the State of California for an order granting to applicant a certificate declaring that public convenience and necessity require and will require the exercise by applicant of the right, privilege and franchise granted to it by the Ordinance described in the foregoing Opinion, the Commission having considered the matter and being of the opinion that the application should be granted,

THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA HEREBY ORDERS AND DECLARES that public convenience and necessity require and will require the exercise by Los Angeles Gas and Electric Corporation the right, privilege and franchise granted to it by Ordinance No. 607 of the City Council of the City of Inglewood, Los Angeles

County, all as fully set forth and described in Exhibit "B" attached to and made a part of the application herein, and that a certificate of public convenience and necessity authorizing such exercise be and it is hereby granted to applicant.

The effective date of this Order is the date hereof.

Dated at San Francisco, California, this 16<sup>th</sup> day  
of July, 1936.
