

Decision No. 28987

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Los Angeles Gas and Electric Corporation for a Certificate that Public Convenience and Necessity require the Exercise of Rights and Privileges granted to it by Ordinance No. 279 of the City of San Marino, County of Los Angeles, State of California.

ORIGINAL

Application No. 20671.

BY THE COMMISSION:

O P I N I O N

In this application Los Angeles Gas and Electric Corporation asks that the Commission make its decision and order granting to applicant a certificate declaring that present and future public convenience and necessity require and will require the exercise by applicant of the right, privilege and franchise granted to it by Ordinance No. 279 of the City Council of the City of San Marino, Los Angeles County, a copy of which is marked Exhibit "B", attached to and made a part of the application.

Applicant alleges that it is now and for many years has been engaged, among other things, in the transmission, delivery and sale of gas to the public generally in the City of

Los Angeles, County of Los Angeles and in certain municipalities and unincorporated territory adjacent thereto. That in the conduct of such business applicant has heretofore constructed and installed and now maintains and operates, in, under and along public streets and thoroughfares in the City of San Marino, County of Los Angeles, a system of pipes and pipe lines and appurtenances connected therewith for the transportation and distribution of gas.

Applicant alleges that the present and future public convenience and necessity require and will require that it exercise the right, privilege and franchise granted to it by the aforesaid Ordinance No. 279 of the City Council of the City of San Marino in order that applicant may continue to furnish and supply gas to said city and the inhabitants thereof for all lawful purposes.

Applicant has stipulated that it, its successors or assigns, will never claim before the Railroad Commission of the State of California or before any Court or other public body, any value for the aforementioned franchise in excess of the actual cost thereof, which cost, exclusive of the Railroad Commission fee was \$309.88.

It is the opinion of the Commission that this application should be granted and that a public hearing in the matter is not necessary.

O R D E R

Los Angeles Gas and Electric Corporation having applied to the Railroad Commission of the State of California for an order granting to applicant a certificate declaring that public convenience

and necessity require and will require the exercise by applicant of the right, privilege and franchise granted to it by the ordinance described in the foregoing Opinion, the Commission having considered the matter and being of the opinion that the application should be granted,

The Railroad Commission of the State of California
Hereby Orders and Declares that public convenience and necessity require and will require the exercise by Los Angeles Gas and Electric Corporation of the right, privilege and franchise granted to it by Ordinance No. 279 of the City Council of the City of San Marino, Los Angeles County, all as fully set forth and described in Exhibit "B" attached to and made a part of the application herein, and that a certificate of public convenience and necessity authorizing such exercise be and it is hereby granted to applicant.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 16th day of July, 1936.
