 No. 19062

BY THE COMMISSION:

ORIGINAL

SUPPLEMENTAL ORDER

Pacific Motor Trucking Company, by supplemental applica-  
 tion, seeks authority to establish a pick-up and delivery service  
 of property in the custody of Southern Pacific Company and Pacific  
 Motor Transport Company at Southern Pacific Company station at  
 Pixley, California, for the reason that no local drayman is  
 available at such station and unless the applicant is authorized  
 to furnish such service, there will be no means of performing the  
 pick-up and delivery service at such station as provided for in  
 the tariffs of the carriers.

Applicant by virtue of Decision No. 27235 herein,  
 dated July 30, 1934, has been heretofore authorized to operate a  
 motor truck service between the railroad stations of Southern  
 Pacific Company over and along a route designated "Route No. 2-  
Tulare Area", one of which stations is Pixley, for the trans-  
 portation of property which may have been previously consigned for  
 transportation over the lines of said Southern Pacific Company.

This appears to be a matter in which a public hearing is not necessary, and

Good cause appearing,

IT IS HEREBY ORDERED that Decision No. 27235 herein, dated July 30, 1934, be, and it is hereby, amended to authorize Pacific Motor Trucking Company to perform a pick-up and delivery service at Pixley, California for property which may have been previously consigned for transportation over the lines of Southern Pacific Company; provided that no pick-up and delivery service may be given at a distance greater than one and one-half (1½) miles from the Southern Pacific Company station at Pixley, California.

IT IS HEREBY FURTHER ORDERED that said Decision No. 27235, in all other respects, shall remain unaltered and in full force and effect.

The effective date of this order shall be the date hereof.
