of Savanna, in the County of Los
Angeles, State of California, and (b)
to discontinue the handling of freight
on the spur track and side track located

Application No. 20677.

ORIGINAL

BY THE COMMISSION:

ORDER

Southern Pacific Company, a corporation, on July 20, 1936, applied for authority to abandon its non-agency station of Savanna, located in Los Angeles County, and to discontinue handling freight on a spur track and side track located at said station.

Applicant alleges that no freight or passenger business has been handled at said non-agency station for the past two years and that the warehouse for which the spur track was constructed has been abandoned for many years. In applicant's opinion the continued maintenance of the non-agency is not necessary.

The California Farm Bureau Federation, on July 23, 1936, signified, in writing, that it has no objection to the granting of this application.

It appearing that a public hearing is not necessary herein and that the application should be granted,

IT IS HEREBY ORDERED that Southern Pacific Company is hereby authorized to abandon its non-agency station of Savanna, in Los Angeles County, State of California, to eliminate said non-agency name from its station records, to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said station, and to discontinue the handling of freight on the spur track

and side track located at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 30th day of

July, 1936.
