

Decision No. 29157.

ORIGINAL

## BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
 WESTERN TRUCK LINES, LTD., for an order  
 granting permission to suspend until  
 October 1, 1936, service of the auto-  
 motive transportation of passengers  
 between Desert Center, California, on  
 the U. S. Highway No. 60 and Parker  
 Dam site via Rice, Earp, and intermediate  
 points.

Supplemental  
 Application No. 20058

BY THE COMMISSION:

FIRST SUPPLEMENTAL ORDER

Telegraphic request having been received from applicant  
 under date of September 30, 1936, and

Good cause appearing,

IT IS HEREBY ORDERED that the period for which applicant was  
 authorized to temporarily suspend its service under decision No. 28732,  
 dated April 20, 1936, be, and it is, hereby extended to and including  
 December 31, 1936, provided that applicant shall file with the Comm-  
 ission and make effective immediately a supplement to its tariff and  
 a time schedule showing further service suspension as herein authorized.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 1<sup>st</sup> day of October,  
 1936.
