

Decision No. 20235

BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
LOS ANGELES GAS AND ELECTRIC CORPO-
RATION for a certificate that public
convenience and necessity require
the exercise of Rights and Privileges
granted to it by Ordinance No. 1808
of the City of Alhambra, County of
Los Angeles, State of California.

Application No. 20820

ORIGINAL

BY THE COMMISSION:

O P I N I O N

In this application, Los Angeles Gas and Electric Corporation asks the Commission to make its decision and order granting to applicant a certificate declaring that public convenience and necessity require and will require the exercise by applicant of the right, privilege and franchise granted to it by Ordinance No. 1808 of the City of Alhambra, a copy of which is marked Exhibit "B" and is annexed to and made a part of the application.

Applicant alleges that it is now and for many years last past has been furnishing gas service to the inhabitants of said City of Alhambra under and pursuant to franchise granted to it by Ordinance No. 802 of said City, the validity of which franchise has been questioned and that said question prompted the securing of the aforementioned franchise under Ordinance No. 1808.

Applicant further alleges that the present and future public convenience and necessity require and will require that it exercise the right, privilege and franchise granted to it by the aforesaid Ordinance No. 1808 in order that applicant may continue to furnish and supply gas to said City and the inhabitants thereof.

Applicant has stipulated to the effect that it, its successors or assigns will never claim before the Railroad Commission of the State of California, or before any court or other public body, any value for the aforesaid franchise in excess of the actual cost thereof, which cost is \$396.83.

It is the opinion of the Commission that this application should be granted and that a public hearing in the matter is not necessary.

O R D E R

Los Angeles Gas and Electric Corporation having applied to the Commission for an order granting to applicant a certificate declaring that public convenience and necessity require and will require the exercise by applicant of the right, privilege and franchise granted to it by the Ordinance described in the foregoing Opinion, the Commission having considered the matter and being of the opinion that the application should be granted,

The Railroad Commission of the State of California
Hereby Orders and Declares that public convenience and necessity require and will require the exercise by Los Angeles Gas and Electric Corporation of the right or privilege under the franchise

granted to it by Ordinance No. 1808 of the City of Alhambra,
as fully set forth and described in Exhibit "B" attached to
and made a part of the application herein, and that a certifi-
cate of public convenience and necessity authorizing such exercise
be and it is hereby granted to applicant.

The effective date of this Order is the date hereof.

Dated at San Francisco, California, this 2^d day of
November, 1936.
