Application No. 20851

ORIGINAL

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, on November 4, 1936, applied for authority to abandon its non-agency station of San Joaquin Bridge in San Joaquin County, and remove a shelter shed located at said station.

Applicant alleges that no freight or passenger business was transacted at said non-agency station for more than two years and that, in applicant's opinion, the continued maintenance of the non-agency is not necessary for the business of applicant or for the public.

The California Farm Bureau Federation, on November 17, 1936, signified, in writing, that it does not object to the granting of this application.

It appearing that a public hearing is not necessary herein and that the application should be granted,

IT IS HEREBY ORDERED THAT Southern Pacific Company is hereby authorized to abandon its non-agency station of San Joaquin Bridge, San Joaquin County, State of California; to eliminate said non-agency name from its station records; to cancel,

in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said station, and to abandon and remove a shelter shed located at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 30th day of November, 1936.
