ORIGINALO P I N I O N

By this application M. C. Yahne, operating under the fictitious name and style of Inland Stages, seeks permission to discontinue all his service as a certificated common carrier of passengers, baggage and express between Oceanside and Vista and intermediate points and for a further order revoking the operating right therefor.

Applicant alleges that from October 15 to October 31, 1936, only 12 passengers were transported. It is further alleged that for the complete sixty (60) day period, October through November, only 48 passengers were transported. In rendering this service applicant operated a total of 1,880 miles at an expense of \$206.80 and in return received only \$18.24 in revenue from passenger fares.

This appears to be a matter in which a public hearing is not necessary. The application will be granted.
