ORIGINAL

Application No. 20946.

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, on January 5, 1937, applied for authority to abandon its non-agency station of Oak View, located on the Ojai Branch in Ventura County, and to abandon and remove a shelter shed, freight platform, and side track located at said station.

Applicant alleges that no passenger or freight business has been transacted at said non-agency station for more than two years and that, in its opinion, the continued maintenance of the non-agency is not necessary for its business or for the public.

The California Farm Bureau Federation, on January 7, 1937, signified, in writing, that it does not object to the granting of this application.

It appearing that a public hearing is not necessary herein and that the application should be granted,

IT IS HEREBY ORDERED that Southern Pacific Company is hereby authorized to abandon its non-agency station of Oak View in Ventura County, State of California; to eliminate said non-agency name from its station records; to cancel, in conformity with the rules of this Commission, all rate tariffs and time schedules applying at said station; and to abandon and remove a shelter shed, freight platform and side track located at said station.

Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the abandonment of the facilities authorized herein and of its compliance with the conditions hereof.

The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof, unless further time is granted by subsequent order.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 18th day of January, 1937.
