

Decision No. 29510

## BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Application of  
SOUTHERN PACIFIC COMPANY for an  
order authorizing the construction  
at grade of side track across  
Griffin St., formerly Cattleman's  
Lane, in the City of Salinas, County  
of Monterey, State of California.

APPLICATION NO. 20969

**ORIGINAL**

BY THE COMMISSION:

O R D E R

Southern Pacific Company, a corporation, on January 21, 1937, applied for authority to construct a side track at grade across Griffin Street in the City of Salinas, County of Monterey, State of California. The necessary franchise or permit (Resolution No. 938 (N.C.S.) ) has been granted by the City Council of said City for the construction of said crossing at grade.

It appearing that a public hearing is not necessary herein; that it is neither reasonable nor practicable at this time to provide a grade separation or to avoid a grade crossing at the point mentioned, and that the application should be granted,

IT IS HEREBY ORDERED that Southern Pacific Company is hereby authorized to construct a side track at grade across Griffin Street, in the City of Salinas, County of Monterey, State of California, at the location more particularly described in the application and as shown by the maps (Coast Division Drawing No. 25350) attached thereto, subject to the following conditions:

- (1) The above crossing of Griffin Street shall be identified as a portion of Crossing No. E-119.3.

- (2) The entire expense of constructing and thereafter maintaining the crossing in good and first-class condition for safe and convenient use of the public, shall be borne by applicant.
- (3) Said crossing shall be constructed equal or superior to the type shown as Standard No. 2, in our General Order No. 72, and shall be constructed of a width to conform to that portion of said street now graded, with the tops of rails at same elevation as main line rails and flush with the pavement and with grades of approach not exceeding three (3) per cent.
- (4) Applicant shall, at its own expense, install, operate and maintain two A. R. A. type flashing light signals for the protection of said Crossing No. E-119.3.
- (5) Applicant shall, within thirty (30) days thereafter, notify this Commission, in writing, of the completion of the installation of said crossing and of its compliance with the conditions hereof.
- (6) The authorization herein granted shall lapse and become void if not exercised within one (1) year from the date hereof unless further time is granted by subsequent order.
- (7) The Commission reserves the right to make such further orders, relative to the location, construction, operation, maintenance and protection of said crossing, as to it may seem right and proper and to revoke its permission if, in its judgment, public convenience and necessity demand such action.

The authority herein granted shall become effective on the date hereof.

Dated at San Francisco, California, this 17 day  
of <sup>February</sup>~~January~~, 1937.
