BEFORE THE RAILROAD COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application

CARLSTROM to purchase an automo-
bile passenger and express line
operated between Brawley and San
Diego, California.

} Application No. 21078

BY THE COMMISSION:

ORIGINALO P I N I O N

W. H. Prewitt has petitioned the Railroad Commission for an order approving the sale and transfer by him to C. W. Carlstrom of an operating right for the automotive transportation as a common carrier of passengers and express between Brawley and San Diego; and C. W. Carlstrom has petitioned for authority to purchase and acquire said operating right and to hereafter operate thereunder, the sale and transfer to be in accordance with an agreement, a copy of which, marked Exhibit "A", is attached to the application herein and made a part thereof.

The consideration to be paid for the property herein proposed to be transferred is given as \$820, all of which sum is alleged to be the value of the intangibles.

The operating right herein proposed to be transferred was acquired by applicant Prewitt by Decision No. 29137, dated September 28, 1936, in Application No. 20723.

This appears to be a matter in which a public hearing is not necessary. The application will be granted.

C. W. Carlstrom is hereby placed upon notice that "operative rights" do not constitute a class of property which should be capitalized or used as an element of value in determining reasonable rates. Aside from their purely permissive aspect they extend to the holder a full or partial monopoly of a class of business over a particular route. This monopoly feature may be changed or destroyed at any time by the state which is not in any respect limited to the number of rights which may be given.

O R D E R

IT IS HEREBY ORDERED that the above entitled application be, and the same is hereby granted, subject to the following conditions:

1. The consideration to be paid for the property herein authorized to be transferred shall never be urged before this Commission, or any other rate fixing body, as a measure of value of said property for rate fixing, or for any purpose other than the transfer herein authorized.
2. Applicant W. E. Prewitt shall within twenty (20) days after the effective date of the order herein unite with applicant C. W. Carlstrom in common supplement to the tariffs on file with the Commission, covering service given under the certificate herein authorized to be transferred, applicant Prewitt withdrawing and applicant Carlstrom accepting and establishing such tariffs and all effective supplements thereto as his own.
3. Applicant Prewitt shall within twenty (20) days after the effective date of the order herein withdraw all time schedules filed in his name with the Railroad Commission and applicant Carlstrom shall within twenty (20) days after the effective date of the order herein file, in duplicate, in his own name time schedules covering service heretofore given by applicant Prewitt which time schedules shall be identical with the time schedules now on file with the Railroad Commission, in the name of applicant Prewitt or time schedules satisfactory to the Railroad Commission.
4. The rights and privileges herein authorized may not be sold, leased, transferred nor assigned, nor service

thereunder discontinued, unless the written consent of the Railroad Commission to such sale, lease, transfer, assignment or discontinuance has first been obtained.

5. No vehicle may be operated by applicant Carlstrom unless such vehicle is owned by said applicant or is leased by him under a contract or agreement on a basis satisfactory to the Railroad Commission.

6. The authority herein granted to sell and transfer the rights and/or property shall lapse and be void if the parties hereto shall not have complied with all the conditions within the periods of time fixed herein unless, for good cause shown, the time shall be extended by further order of the Commission.

7. Applicant shall, prior to the commencement of service authorized herein and continuously thereafter, comply with all of the provisions of this Commission's General Order No. 91.

Dated at San Francisco, California, this 29th day of March, 1937.
