FIRST SUPPLEMENTAL  
OPINION

California Motor Transport Co., Ltd., a corporation, in this supplemental application seeks a modification to Decision No. 22509, dated June 5, 1930, which authorized applicant to acquire from Ernest Sunberg an automotive operating right for the transportation of property consigned to Sunberg by Robert W. Lacey operating an express corporation under the name and style California Freight Forwarders.

It appears that Lacey was authorized by Decision No. 22556, dated June 21, 1930 on Application No. 16606, to transfer all his right, title and interest in and to his express and forwarding business to California Motor Express, Ltd., a corporation.

It further appears that applicant herein has operated under the belief that no additional authority was needed to transport property consigned to it by said California Motor Express, Ltd., successor in interest of Robert W. Lacey and herein is seeking an amendment to Decision No. 22509 to authorize applicant to transport property consigned to it by California Motor Express, Ltd., in lieu of the right to transport property consigned to it by said Lacey.

It does not appear that this is a matter requiring a public hearing. In view of the circumstances herein appearing, the application will be granted.

FIRST SUPPLEMENTAL  
ORDER

IT IS HEREBY ORDERED that Decision No. 22509, dated June 5, 1930 is hereby amended to authorize California Motor Transport Co., Ltd., in the conduct of its automotive highway common carrier service between San Francisco and Los Angeles, to transport property consigned to it by California Motor Express, Ltd., only, subject to all the limitations, restrictions and conditions contained in Decision No. 22274 and amendments thereto, and,

IT IS HEREBY FURTHER ORDERED that California Motor Transport Co., Ltd., is hereby authorized to abandon the transportation of property consigned to it by Robert W. Lacey.

The effective date of this order shall be twenty (20) days from the date hereof.

Dated at San Francisco, California, this 21<sup>st</sup> day of June, 1937.
